We are required to obtain evidence that the bank account you would like to register is a personal current account in your own name(s). To do this, you can either tick the box below authorising the Society to check this electronically or, alternatively, you can forward evidence to us with this form. Evidence can be a cheque from the bank account listed above for a nominal amount (minimum £1) which will be returned to you, or a recent statement from this bank account showing your name(s), bank account number and sort code.

In order to verify these details electronically, we will send your name, address, date of birth and bank details to the credit reference agencies, who will supply us with the information we require. The credit reference agencies will record details of the search but the search will not be seen or used by third parties to assess your ability to obtain credit. We will only use the results of this search to confirm your bank account details.
